SUMMARY

Full-stack developer with hands-on experience in Java Spring Boot, React, and Next.js, currently pursuing B.Tech in Computer Science (CGPA: 8.5) at ABES Engineering College. Proficient in building RESTful APIs, deploying production-grade web applications, and integrating AI APIs. Actively seeking software engineering roles targeting backend and full-stack positions.

TECHNICAL SKILLS

Languages: Java, JavaScript, SQL, HTML5, CSS3
Frameworks & Libraries: Spring Boot, Spring Framework, React, Next.js, Tailwind CSS, Framer Motion
Databases: MySQL, SQL (DDL/DML, Joins, Aggregates)
Tools & Platforms: Git, GitHub, IntelliJ IDEA, VS Code, Eclipse, Vercel
Concepts: REST API Design, OOP, CRUD Operations, Service-Layer Architecture, Data Structures & Algorithms

PROJECTS

- DEA – Discovery & Execution Assistant** | *Next.js, React, Tailwind CSS, NVIDIA NIM API* | 🐙 May 2026
- Engineered an AI-powered project discovery engine using Next.js and NVIDIA NIM reasoning models, delivering tailored project ideas, architecture breakdowns, and market trends from user-provided tech stacks.
 - Architected secure server-side API routes for all AI model calls, achieving zero client-side key exposure and a clean separation of backend logic.
 - Built a production-ready full-stack application with glassmorphism UI and Framer Motion parallax animations; deployed on Vercel with full CI/CD pipeline via GitHub.
- Hospital Management System** | *Java, Spring Boot, REST API, MySQL* | 🐙 Nov 2025
- Developed a full-featured Hospital Management System with Spring Boot REST APIs managing patient registration, doctor scheduling, and appointment booking workflows.
 - Designed a normalized MySQL schema with optimized CRUD operations; implemented service-layer architecture with input validation to ensure data integrity.
 - Structured the application using MVC pattern with clear separation of Controller, Service, and Repository layers, enabling maintainable and scalable codebase.

EDUCATION

ABES Engineering College	Ghaziabad, UP
<i>B.Tech in Computer Science – AKTU CGPA: 8.5</i>	<i>Oct 2023 – July 2027</i>
Jawahar Navodaya Vidyalaya, Nainital	
<i>Class 12th (CBSE) – 88.6%</i>	<i>2022</i>
Jawahar Navodaya Vidyalaya, Nainital	
<i>Class 10th (CBSE) – 93.6%</i>	<i>2020</i>

CERTIFICATIONS

Full Stack Web Development (MERN) – Apna College	<i>Nov 2024</i>
Programming using Java – Infosys SpringBoard	<i>May 2025</i>

EXTRACURRICULAR

- Core Team Member – ABES ACM Student Chapter** May 2024 – Present
- Organized and coordinated technical events, coding workshops, and hackathons for 200+ student participants.
